BASIC FALL GUARD SYSTEM

- TL2100S Monitor - Adjustable volume control
- Bed or Chair Pressure Pad (TLPPBWI or TLPPCWI)

PAGER SYSTEM

- TL2016R3 MONITOR, Can turn to silent and sends a signal for 150'
- TL-2016P PAGER, Set adjustable volume or vibrate
- Bed or Chair Pressure Pad

PULL STRING MONITOR
 The pull string alarm monitors feature a pull string cord that attaches to the resident's clothing via a garment clip. When the resident attempts to get out of their chair or bed, the pull string disengages, alerting the caregiver. Pull String Alarms Monitors can be used on wheelchair, chair, or bed. SMART
