CLEANIS 7831738
 Cleanis CareBag® Commode Liner with Super Absorbent Pad
 20-1/2" L x 15-7/10" W, Polyethylene, Disposable
 \$21.00 –BX/20

The single-use CareBag® Commode Liner with Super Absorbent Pad is designed to safely collect, transport, and dispose of body fluids, thus avoiding unpleasant hand cleaning of the pail. The super absorbent pad turns liquid waste (urine, diarrhea, blood, serous fluid) into a gel within seconds. When used to line the commode, both the user and caregiver are protected from the spread of pathogenic organisms by direct or indirect contact, thus minimizing risk of cross infection.

- Protects most commode chair pails.
- Hygienic, single use product.
- Safe and convenient collection, transport, and disposal of body fluids.
- Reduces risks and costs associated with HAI.
- Saves personnel time and costs related to cleaning commode pail.
- Eliminates the unpleasant task of cleaning commode pails.
- Eliminates odors when completely closed.
- Recommended for Home Care, Hospitals, and Nursing Homes.
- Recommended for infectious patients and isolation rooms.

CAREX P70900
 Commode Pail Liners 19x11.5"
 Holds up to 2 quarts of liquid, tie handles
