Coverage Questions for Any Wheelchair:

Y N Does the patient have a mobility limitation that significantly impairs his/her ability to participate in one or more mobility related activities of daily living such as toileting, feeding, dressing, grooming, and bathing in customary locations in the home?

Y N Can the patient's mobility limitation be sufficiently resolved by the use of an appropriately fitted cane or walker?

Y N Does the patient's home provide adequate access between rooms, maneuvering space, and surfaces for use of the manual wheelchair that is being provided?

Y N Will the use of the manual wheelchair significantly improve the patient's ability to participate in MRADLs and the patient will use it on a regular basis in the home?

Y N Has the patient expressed an unwillingness to use the manual wheelchair that is provided in the home?

Y N Does the patient have sufficient upper extremity function and other physical and mental capabilities needed to safely self-propel the manual wheelchair that is provided in the home during the typical day?

Y N Does the patient have a caregiver who is available, willing, and able to provide assistance with the wheelchair?

Coverage Questions for Elevating Leg Rests:

Y N Does the patient have a musculoskeletal condition or the presence of a cast or brace which prevents 90-degree flexion at the knee?

Y N Does the patient have significant edema of the lower extremities that requires an elevating legrest?

Y N Does the patient meet the criteria for or have a reclining back on the wheelchair?
